North Nibley Parish Council
Annual limited assurance review for the year ended 31 March 2024

Dear Ms Rossiter

We have commenced our review of the Annual Governance & Accountability Return (AGAR) for North Nibley Parish Council for the year ended 31 March 2024 but cannot formally complete it. Please refer to our 'interim' external auditor report (Section 3 of the AGAR Form 3) which sets out the reasons we have not been able to complete the review. The 'interim' report is included for your attention as another attachment to the email containing this letter along with a copy of Sections 1 and 2 of the AGAR. The smaller authority must consider the report and decide what, if any, action is required.

The Accounts and Audit Regulations 2015 (SI 2015/234) set out what you must do at the conclusion of the review. In advance of the formal conclusion, we have provided the attached documents. The authority should use this 'interim' external auditor report and:

- Prepare a "Notice of audit" which details the rights of inspection, in line with the statutory requirements. We attach a pro forma notice you may use for this purpose (a Word version is available on request). It also states that the audit has not yet been completed.
- Publish the "Notice" along with the uncertified AGAR (Sections 1, 2 & 3) before 30 September, which must include publication on the smaller authority's website. (Please note that when the statute and regulations were amended in 2014 and 2015, they did not include a requirement for the length of time for which that the "Notice" must be published. The previous statute required 14 days; but it is now up to the authority to make this decision).
- Keep copies of the AGAR available for purchase by any person on payment of a reasonable sum.
- Ensure that Sections 1, 2 and 3 of the published AGAR remain available for public access for a period of not less than 5 years from the date of publication.

Fee

Our fee note for the limited assurance review will be issued when we certify completion. The standard review fee is in accordance with the fee scales set by Smaller Authorities' Audit Appointments Ltd.

Please note further charges may arise in addition to the standard fee if either:

- we have had to issue chaser letters and/or exercise our statutory powers due to a failure to provide an AGAR; or
- it was necessary for us to undertake additional work, for example due to challenge correspondence received.

Timetable for 2024/25

Next year we plan to set a submission deadline for the return of the completed AGAR Part 3 and associated documents (or Certificate of Exemption) of Tuesday 1 July 2025. It is anticipated that the instructions will be sent out during March 2025, subject to arrangements for the 2024/25 AGARs and Certificates of Exemption being finalised by Smaller Authorities' Audit Appointments Limited (SAAA). Our instructions will cover any changes about which smaller authorities need to be aware.

- The smaller authority must inform the electorate of a single period of 30 working days during which public rights may be exercised. The period must be **exactly** 30 working days, please do not set public rights dates that cover a longer period. This information **must be published at least the day before** the inspection period commences;
- The inspection period **must** include the first 10 working days of July 2025, i.e. 1 to 14 July inclusive. In practice this means that public rights may be exercised:
 - at the earliest, between Tuesday 3 June and Monday 14 July 2025; and
 - at the latest, between Tuesday 1 July and Monday 11 August 2025.

As in previous years, in order to assist you in this process we plan to include a pro forma template notice with a suggested inspection period on our website. On submitting your AGAR and associated documentation, as was the case for this year, we will need you to either confirm that the suggested dates have been adopted or inform us of the alternative dates selected.

Yours sincerely
